## Verse

D /// D /// D ///

Though I am crushed to the earth.

Bm /// Bm /// Bm ///

I am the seed of rebirth.

G /// G /// G /// G ///

I taste the love You have bled and break the bonds of the dead.

A /// A /// A ///

I am rising again.

D /// D /// D ///

My God has broken my heart.

Bm /// Bm /// Bm ///

All that I've loved torn apart.

G /// G /// G /// G ///

And by the might of Your hand You raise this Child, Son of Man

A /// A /// A ///

To eternally shine.

## Chorus

D /// D /// D ///

Shine, shine, shine. You are an ever sending...

Bm /// Bm /// Bm ///

Shine, shine, shine. You are a never ending...

G /// G /// G /// G ///

Light so bright, but does not blind. A well so deep of life and love divine.

A /// A /// A ///

## Bridge

F#m /// F#m /// G /// G ///

You told us how, You told us how this world would fill our cups with all its hate.

F#m /// F#m /// G /// G ///

You showed us how, You showed us how death hungers for our soul at satan's gate.

F#m | A /// F#m | A /// G | B /// G | B ///

That everything I loved, the earth and sea and wind and sky,

F#m | A /// F#m | A /// G | B /// G | B ///

Would turn against me, pierce my heart; my bones and body, crucify.
